## Beauty and the Beast—Stage Manager Required

Rehearsals are well underway for the Christmas pantomime which will take place from 7th - 10th December.

The box office is now open.

The show has been cast and we are busy learning our parts; costumes and scenery are under construction and sound and lighting effects are being created.

However we still need to secure the services of a stage manager to help us bring it all together on the night!

If any members know of anyone who would be willing and able to take on this role please could you speak to **Michelle Gillett** as soon as possible.

Still room for more members in the chorus—come along and join in any Tuesday or Thursday evening if you want to be involved.
